

Beauty Becomes You™

Age of Elegance Picnic and Polo Benefit Chukkar Farm, Alpharetta, GA

Upcoming Fundraising Event

- Date: Sunday September 26, 2010
- Location:
Chukkar Farm
1140 Liberty Grove Road
Alpharetta, GA 30004
- Time: 10:00 am

We will have a 'mini spa' on the day of the benefit and we want to invite our volunteers to participate as a promotion for your businesses.

Volunteers Needed - Licensed professionals in the fields of Cosmetology, Esthetics, Nail Technology, Massage and geriatric specialties including Certified Foot Care and OT... are invited to volunteer their services for part or all of the Day of Timeless Beauty. Students in these respective fields are also invited to participate.

We are also seeking any volunteers that may be of assistance in coordinating and hosting the event.

BBYF provides a variety of basic hygiene programs to the senior community to ensure their health and wellbeing. Often seniors have skin, hair and nail concerns which are easily compromised through denial of their presence and can be exacerbated by medical conditions and lack of proper care.

Services range from hair and skin cleansing to more therapeutic interventions such as foot care for Diabetics. BBYF also provides practitioners with expert training in geriatric aesthetic™ health and wellbeing while engaging these professionals in a volunteer capacity.
